

PRESENTERS (in order of appearance)

Dr. Andrew Kroger, MD, MPH

National Center for Immunization and Respiratory Diseases

A Yale and Emory graduate, he is board certified in Public Health and Preventative Medicine. Dr. Kroger has worked for the CDC since 2001. He started his career in Notifiable Disease Surveillance at the Epidemiology Program Office. Presently, he is a traveling trainer for the Education and Information Branch of the CDC.

Dr. Melinda S. Cameron, MD

WNY Lead Poisoning Prevention Resource Center

Dr. Cameron is a Clinical Assistant Professor at the University of Buffalo, Department of Pediatrics. In addition to serving as Medical Director of the Western New York Lead Resource Center at Women and Children's Hospital of Buffalo, she also serves as Medical Director of the Kaleida Health School-Based Health Program. She practices at Women and Children's Hospital of Buffalo and the Community Health Center of Buffalo.

Cheryl Craft

Chelsea Oliver Foundation

Cheryl Craft is the Founder and President of the Chelsea Oliver Foundation. Cheryl's daughter, Chelsea, lost her life due to complications of influenza on November 1, 2009 at the age of 15. The goal of the Foundation is to continue Chelsea's legacy by raising public awareness and community outreach by educating on the dangers of influenza. The Foundation also provides scholarships for students who are pursuing a career in health care. Cheryl is an active member of the WNY Pediatric & Adolescent Coalition and Families Fighting Flu.

Dr. Debra Blog, MD, MPH

New York State DOH

Dr. Blog is the current Director of NYS Division of Epidemiology as well as the Director of the NYSDOH Bureau of Immunization. Prior to her current appointments she served as Medical Director of the NYSDOH Immunization Program as well as Assistant Director of Preventive Medicine Residency at SUNY Albany. She has practiced as a pediatrician and previously served as assistant professor of Pediatrics at Rush Medical Center in Chicago as well as Clinical Instructor of Pediatrics at the University of Colorado.

Continue on back...

Cindy Schulte, RN, BSN

New York State DOH

Cindy has been in public health for 40 years. During that time her experience has included school nursing, home care, maternal and child health and the WIC program. She was the public health clinic supervisor for Schenectady County. She has provided training through the development of a vaccine administration video and public speaking engagements to community and professional groups. Currently she is working with the NYSDOH Bureau of Immunization with primary responsibility for vaccine preventable disease surveillance.

Dr. Joseph Domachowske, MD

Upstate University Hospital

Dr. Domachowske is a Professor of Pediatrics, Microbiology, and Immunology at Upstate Medical University in Syracuse. His research fellowship in Pediatric Infectious Diseases was completed in the Laboratory of Host Defenses, NIAID, at the National Institutes of Health under the auspices of the Pediatric Scientist Development Program. His research focuses on the prevention and treatment of respiratory viral infections.

MODERATOR

Dr. Martin Mahoney

SUNY at Buffalo, a Vaccine Advocate

Dr. Mahoney is an Associate Professor of Oncology, Departments of Medicine and Health Behavior, at Roswell Park Cancer Institute, where he also serves as Medical Director of Employee Health Services. In addition, he is an Associate Professor of Family Medicine, SUNY at Buffalo School of Medicine & Biomedical Sciences.
